WARNING OF SERIOUS PHYSICAL INJURY

Participation in competitive athletics may result in severe injury, including paralysis or death. Changes in rules, improved conditioning programs, better medical coverage, and improvements in equipment have reduced these risks, but it is impossible to totally eliminate occurrences from athletics.

Players can reduce the chance of injury by obeying all safety rules in their sport, reporting physical problems to their coaches, following a proper conditioning program and inspection of their own equipment daily. Damaged equipment must be replaced immediately. Even if all these requirements are met, and even if the athlete is using excellent protective equipment, a serious accident may still occur. As a condition of participation in athletics at Mount Madonna School, we acknowledge that we have read and understand this warning statement.
