

MOUNT MADONNA SCHOOL CLASS SPONSORED PROJECTS

Mount Madonna School (MMS) is powered in no small part by the generosity of time, energy, and resources from families. Each grade level class has been selected to assist MMS faculty and staff in hosting events throughout the year. Specific volunteer opportunities will be communicated via sign-up tools sent during the planning period for an event. MMS strives to achieve 100% participation by encouraging all parents to volunteer for class-sponsored events. MMS expresses our sincere gratitude to all families for volunteering your time, energy, and unmatched community spirit.

Please see the table for class sponsored events below:
